### ***HAVE A GO AT CONSERVATION***

**Venue:** New Earswick Nature Reserve

**Date:** Sunday 11th July **Times:** 10am – 1pm

**Information:** Come and have a go at Practical Conservation, see what tools we use, flex a bit of muscle and then admire your handiwork helping out at the nature reserve.

### ***BUILDING A METAL TREE!***

**Venue:** Sleeper Path Allotment, New Earswick

**Date:** Sunday 1st August **Times:** 10am – 1pm

**Information:** For International Youth Day we'll be creating a metal tree from recycled materials and planting some vegetables ready for the winter.

### ***WOODLAND WEEK***

**Venue:** Fulford Community Orchard

**Date:** Monday-Thursday 9th, 10th, 11th, 12th August **Times:** 10am – 3pm

**Information:** Over the week you'll be getting stuck into bushcraft activities, conservation and environmental art. You'll be building survival dens, using flints to start a fire and cook lunch on it, using a range of woodland tools to make various items for a local community group and have a go at some environmental art using natural materials.

You'll get the chance to have a go at loads of different activities with your friends this summer, meet new people and learn something new.

### ***FULFORD ORCHARD OPEN DAY***

**Venue:** Fulford Community Orchard

**Date:** Sunday 5th September **Times:** TBC

**Information:** We are going to be taking part in the Orchard Day and creating items from the orchard produce, bird feeders and yummy jam!

***Join us if you are working towards your Duke of Edinburgh Award or John Muir Award.***
