# **Job Description**

Job Title:	Team Leader North-West	Job Level:	3A	Job Ref:	221/urn406
Directorate:	UK Operations	Region:		Northern Ireland	
Reports to:	Robert Shearman, Operations Leader	Directly Responsible for:		A team of five staff plus two seasonal staff	
Location:	TCV Derry office				

# **Department Purpose**

 TCV's Operations Team connects people together to protect and restore nature, delivering lasting benefits for both.

# **Role Overview**

- a) A TCV Team Leader manages multiple projects simultaneously, calling for great organisational and people leadership skills, in addition to a broad range of project-related knowledge and experience.
- b) The Derry & North-west Team delivers projects that protect and restore local environments / improve people's health and wellbeing through nature connection / develop conservation and green skills, working across Counties Londonderry, Tyrone, Fermanagh as well as some cross-border projects.
- c) The role holder will line manage, develop and support the Team's project staff, and will have budget and resource responsibility across multiple projects.
  - Our existing northwest operational portfolio includes:
- d) Projects to improve community open spaces and involve local people.
- e) School grounds enhancement projects.
- f) Tree planting projects.
- g) Habitat management work across a network of nature reserves and country parks.
- h) TCV is a partner in the Acorn Fam Project and runs the 'I Can Grow' growing vegetables at home initiative, supporting 400 households per year.
- i) Projects to help reduce health inequalities through therapeutic horticulture and community growing projects.
- A 3A Team Leader will also support delivery as required, where their expertise is needed and to meet contractual and operational needs.

### **Key Role Responsibilities**

# **Resource Management and Financial Responsibilities**

# **Project** – the Team Leader:

- Is accountable for the management, safe operation and compliance of the Derry Team's projects, people and resources.
- This will involve supporting delivery as required, where expertise is needed, and to meet contractual & operational needs.
- Has budget and cost management responsibility for Team's financial plans, forecasting and performance, ensuring ongoing financial sustainability.
- Is fundamental to income generation for the Team's projects. With the Operations Leader and Business Development Team, will be involved in identifying & pursuing new income streams through larger bids and other opportunities to sustain and enhance project funding. Will prioritise follow-up, to ensure ongoing financial sustainability of the Team in line with regional business plans.
- Will oversee promotion of the Team's projects, media and marketing, raise our profile with the public, reach out to diverse communities to achieve our EDI and other outcomes, and meet partner funding requirements

### People - the Team Leader:

- Is the most senior TCV role for operational management at Team level, enabling staff and volunteers, with support where needed from Operations Leader, Senior Leadership and Central Service Teams.
- Will line manage a team of four Senior Project Officers a Project Assistant and two seasonal Project Assistants.

# Property - the Team Leader:

Has oversight of the safe use, security and maintenance of all tools, equipment and materials on projects within
area of responsibility, ensuring that any issues are reported and addressed. These include, but are not limited
to, vehicles and premises, IT equipment, PPE and uniforms.

### **Working Relationships**

#### You will:

- Manage staff across multiple projects, including the provision and/or arrangement of relevant training as required to best meet project and APDR objectives.
- Work collaboratively with colleagues across all TCV's functions.
- Have responsibility for delivery of TCV's Volunteer Programme across your Team's projects and locations. Includes identifying and coordinating opportunities, planning recruitment and ensuring a high-quality volunteering experience.

#### You will:

- Interact regularly with a broad range of stakeholders across the locations in which the Team is based, for ongoing engagement and to raise TCV's profile. This includes partners, funders, suppliers, contractors, and others, as well as the public across a range of local communities.
- Have ownership of a range of external relationships and manage these to develop and enhance engagement.
- Develop new partnerships and external relationships to sustain delivery, and to identify opportunities for development and expansion of work.

### **Autonomy, Complexity and Risk**

- The Team Leader is the most senior TCV role for operational management at Team level.
- Accountable for delivery and development of multiple projects in line with broader regional plans.
- Responsible for coordinating and overseeing safety, safeguarding and risk assessment across your Team's projects, ensuring that all work is carried out in line with TCV's policies.

# **Planning and Reporting**

- The Team Leader is responsible for coordinating planning for multiple projects across the Team's programme of work, including oversight of interaction between projects.
- Ensure all agreed project objectives and deadlines are met, including reporting and evaluation for funders is completed in an accurate and timely manner.
- Adhere to all internal impact, finance and risk compliance monitoring, reporting and evaluation across area of responsibility, contributing to ongoing practice and process improvement, sustainability of our work and broader regional planning

# **Additional Responsibilities**

- Complete any other activities as appropriate for the level and nature of the post as delegated.
- Playing an active role across the wider operations management team to support the smooth running of TCV's
  activities to contribute to our organisational strategy.
- You are required to adhere to TCV's policies and procedures, including Health and Safety, GDPR, and Safeguarding, at all times.

# **TCV Values and Behavioural Framework**

### **Our Values:**

- Make stuff better.
- Make a positive environmental impact.
- Crack on and muck in.
- Make a difference.
- Be the best that we can be.

How we demonstrate our values through our day-to-day work is outlined in our supporting behavioural framework. This framework forms part of our annual performance and development review (APDR) process

# Regulatory Requirements (delete as applicable)

### **Criminal Record Check and Self Disclosure**

· Access NI and self-disclosure
